

**NEW!**

# EXPANDER SLEEVES

- Create Expansions quickly and easily
- Great for expansions done less often, that may not be worth the investment in a case-hardened segmented expander tool

**NEW 4.5"** added to the Expander Sleeve Family! Huth Expander sleeves fit over existing tooling.

All are designed to fit over Huth, Ben Pearson, and Bend Pak 3" segment sets (H476, BP761550, and PKSS300) and will create the ID listed in the tool description.

## Part Numbers and Sizes:

**H9001-35 - 3.5"**  
Expander Sleeve

**H9001-40 - 4"**  
Expander Sleeve

**H9001-45 - 4.5"**  
Expander Sleeve

**H9001-50 - 5"**  
Expander Sleeve

## Easy to use:

Simply slide over your current 3" segment set and use like other segments.
