and Money!!

NEW IMPROVED!
More Power To
Expand Stainless!

Mitey Mate Jr. (1685S) hand-held expander now has more power to expand stainless steel!

Versatile: Ideal for making flares, ball joints and slip connections under the vehicle or on the bench.

Tooling: 1 1/2" – 3" included, 3 1/2" and 4" available.

Lightweight: Gun is only 7 pounds, with its high-impact pistol grip, removable arbor tips, and easy to set-up bulls-eye sizing adjustments.

Compact: Handy storage unit holds the expander, four segment sets and one of the two detachable arbor tips, is 9" high by 10 1/2" square. Power pedal is 8" high, 10" long and 5" wide, and fits under the storage unit.
